2. Voting period

Voting takes place from 01.10.2026 until 31.12.2026 at 11.59 p.m. CET.

Votes cast outside this period cannot be considered.

3. Eligibility

Persons resident in Switzerland who are at least 18 years old and capable of judgement at the time of voting are eligible to vote.

Persons eligible to vote are those who have ordered a participating Three Cents Signature Serve in a participating catering establishment.

4. Voting procedure

As part of the Three Cents Signature Serve competition, the participating bartenders present their own Three Cents Signature Drink.

Consumers who have tried a participating Signature Drink can rate it using the associated QR code. The QR code leads directly to the voting page of the respective Signature Drink. It is not possible to rate other signature drinks via this QR code.

The valid votes cast are used to determine the winner of the Three Cents Signature Serve competition. The winner is the participating bartender whose Signature Drink receives the highest number of valid votes during the voting period.

Participation in the vote itself does not entitle the voter to any prize or other reward.

5. Validity of the votes

CCHBC reserves the right to exclude votes from the evaluation if there is suspicion of manipulation, automated voting, false information, or other abusive behaviour.

6. Data protection

Where personal data is collected in the context of the voting process, it will be processed solely in connection with the administration and evaluation of the voting process and in accordance with the CCHBC Privacy Policy (available at https://ch.coca-colahellenic.com/en/privacy-notice).

CCHBC assumes no liability for loss of data (in particular during data transmission or as a result of technical faults), voting errors, failed or manipulated votes, as well as platform downtime.

8. Final provisions

CCHBC reserves the right to adjust, temporarily suspend, or prematurely end the voting process if unforeseen circumstances, technical difficulties, manipulation attempts, or other important reasons make this necessary.

By submitting a vote, the voting participants confirm that they have read and accepted these terms and conditions.

Should individual provisions of these terms and conditions be or become invalid, the validity of the remaining provisions shall remain unaffected.

The voting process and these conditions are subject to Swiss law and the exclusive jurisdiction of the Zurich courts.
